L♥vin' it: Our Fave Grammy Awards Dresses

The **52nd Annual Grammy Awards** were held last night in Los Angeles; it was an evening filled with awesome performances from artists like **Pink**, **Beyoncé**, and Taylor Swift—not to mention a star-studded tribute to the late King of Pop, **Michael Jackson** (with Céline Dion, Usher, Jennifer Hudson, Carrie Underwood and even Smokey Robinson!). But before all that happened, the music industry's hottest strutted their stuff on the red carpet. Here are our favourite outfits from last night!

When has **Nicole Kidman** *not* looked amazingly stylish on the red carpet?! Not that we can remember, anyway. As always, her look was a winner, with a classic black gown by Prada.

Kristine Elezaj's double-layer black dress was also extremely elegant.
